THE NEXT GIRL NEXT DOOR

We, being professional purveyors of poon, have labeled up a sumptuous feast for you to sink your chops into. But we also retain the rights to call the shots. The conditions are simple, even for the most etiquette challenged. Forget what your mother taught you about table manners and finish what's on your plate. We want you to start with dessert first. Feast well while you're at it.

Madison

I love dressing up, and then undressing as a freshman college girl. My pig tails make me look quite appealing and I take advantage of it. Ever since I was a junior in college I sensed my libido increase. College boys look more like college men to me now and I admit I've been on the prowl a few times. I've also learned about sex and my sexuality since those days. Now I'm ready to let me hair down!

I've learned that I can look a guy right in the eye and ask if I can give him a blow job. Usually that shocks them, but the flip to accepting my offer is instantaneous. Then I keep up the eye contact as I take their cock in my mouth and suck them off. I love watching their reaction, because if I just look forward, all I see is hair. The best though, is watching them as I swallow their load.

When the heat is on, hunky guys train diligently to learn how to cool the situation
– even if they are actors!

Pants on Fire

I'm in my 20s, and I agree that I need a man: a good man to be by my side and to service my pussy constantly. I know there's a time for politeness and so forth, so I'm not here to lie to you. I'm a woman, nwith needs, and I've got a pussy that gets wet and is always horny. But, romance hasn't come easy for me. Some days it seems like all the good ones are taken. And some days it just seems like I was born under an unlucky star which dictates that I'm destined for a solitary life.

That's how I sort of came to my temporary resolution. For now... All I really want is some great screaming sex. If there's to be no Mr. Right in my future... At least my hungry woman hole get satisfied regularly. My last husband, the one I gave myself to for 2 years, well now he's gone. He's not coming back. And I'm just a little damn sick and tired of my purple dildo. Sure, it gets the job done... But I want some authentic man-meat.

So, I decided to go to a well-known meat market nightclub: "Meety's". Such a cute name I thought when I got there. And, good Lord am I ever glad that I did. Now, I'm not trying to brag, but men do consider me to be a hot, and I do conceptualize myself as sexy. Thus what I'm wearing underneath my clothes is extremely important to me. Frequently, I like to skip the whole bra and panties. I enjoy having my pussy, ass and nipples, rubbing against my clothes. But, to prepare for the club, I put on some frilly, red panties with a matching bra that

just simmered with my rampant sexuality. My pussy gets a little damp just thinking about those panties!

Then I put on a black skirt and a nice blouse. And, I was about to head out the door when I realized that my impetuous pussy better be silenced before embarking on this cock adventure. So I sat down at the kitchen table, hiked up my skirt, pulled my red panties to the side, and inserted my purple dildo right up my love hole. That always worked, and soon my pussy was coming all over the place, and I let my head fall back so I was moaning at the ceiling.

Okay, I was ready to go now! I arrived at the club; it was a temperate summer night. I felt like my pussy's possibilities were endless. I entered the hall, and I saw twenty-something singles everywhere. And a few of them were quite dashing. The place had a disco ball, which I thought was a little tacky, but what the hell! Why get up on such a detail? I was surprised to feel my pussy getting really wet. My red panties might be dripping soon! What I was really in the mood for was a good old-fashioned banging! But, would any of these guys be up for such a risqué event.

I decided to sit down at a corner table and surveyed the scene. Hell, if these guys wanted to explore my succulent pussy, they could approach me, I thought. A half-hour later... no one had made a move. That's when

I saw a couple of young men enter. And, they weren't gay, I don't think. Interesting. They appeared to be in their early 20s. They noticed me, and I saw them whispering to each other. 20 minutes later, they were stealing little glances at me as they continued their whispers.

Not waiting any more, I went over to their table. "What's going on with you guys?" I asked. My red panties just got a little damper.

"I'm Alex," he said. "We were just admiring your outrageous beauty."

"Well Alex," I said, "You're rather brash and direct."

His eyes twinkle. I noticed that his friends were listening to us. "And who is with you?" I asked.

"This is my best friend Bryan and we decided to stop in after our acting class," he said.

"Why don't you tell me straight up, what's going on here?" I said, leaning forward and licking my luscious pouty lips.

"How would the two of you like to fuck me until my eyes roll into the back of my skull?" I asked.

Without missing a beat Alex says, "I know just the place."

Bryan also stood, and followed us through the crowd of partiers to the back of the dance area. Bryan stepped ahead of us and opened the door. It led to a store room. "Are we allowed back here?" I asked.

"Nobody's paying attention," Bryan said.

I grabbed Alex and pressed my lips against his. I suddenly felt hands everywhere groping my assets. My red panties were really soaked now! I dropped to my knees overcome with passion.

"Give me a cock," I yell. "I want it in my mouth, now!"

Just as suddenly, I had two long rods poking my face. I started sucking wildly, first one then the other.

"I've got an idea," Alex said. "Were supposed to be doing acting exercises this weekend. How about we do one right now?" We'll pretend to be firemen and we've just come across you at the scene. Come lay down over here and we'll get started.

I stood up and went to spread myself across the table.

I decided to join in... "Oh I can't breathe!" I screamed. "Give me oxygen tanks in each hand, I said. Suddenly I felt a cock in each hand as one entered my mouth again. This was the position I adored being in. I pump a cock with each hand and felt a little droplet of pre-cum slide onto my left hand.

"Keep talking her down," Bryan hollered. By now Alex was fucking my pussy furiously.

Bryan yelled, "I spot a little bit of fire on her face. I'm going to shoot my hose at it."

And as I felt his cock start pulsating, he aimed it at my mouth including my lower face. Alex flipped me over onto my belly, walked up between my legs and head and set his hands on my ass.

I looked at him and shook my ass back and forth. I said, "It's your reward for saving me." Alex generally entered my pussy. Then, then he absolutely rammed every inch of his love stick straight in. I think that huge cock bumped against my internal organs. That young stud proceeded to fuck me like a superhero... all the while slapping my ass. As Bryan's dick went into my mouth, and I simultaneously jerked him. My nipples were being tweaked and hands were exploring every crevice of my body. Finally, I felt Alex's thumb go up my ass.

Pants on Fire

The young men went to work with the renewed passion they started with, groaning about at the same time. I kept jerking Bryan's cock my hand. "We better just make sure that this fire is extinguished." Alex said.

The two young men step back from me. I laid on my back on the table with my legs spread. "Make sure you spray your fire hoses thoroughly." Alex said.

Bryan was ready and aimed it right at my face and his rocket blasted its fuel all over my chin.

Bryan slipped between my legs, and the little bastard had a real cunnilingus expertise. His tongue was starting to lick all around my little clitty and my legs were starting to quiver a bit.

Then Alex squatted over my face. "Let me give you some oxygen, too." he said, inserting his slick snake into my mouth. It tasted great! I started sucking back as if my life depended on it. He started groaning.

"I think we can save her!" he yelled. "The oxygen is

Then I heard Alex yell, "I'm cumming." And, he sprayed a massive load on my boobs, and then he covered my pussy smiled as he finished shooting his load all over me.

"This building's on fire." I screamed softly. "I'm living above a laundry and the fire's everywhere. I'm going to die here. All the smoke! Help!"

"Don't fear?" Alex yelled. "We firefighters are on the job! We'll save you."

The young men went into a pantomime routine in which they wielded make-believe axes to break into to the building. Bryan pretended to be spraying a firehose, and the whole thing was comical as his pants were around his ankles and his big cock was swishing it around as he hopped about. Alex pretended to break down the door and threw me over his shoulder and sat me on another table.

"She's safe now," he said. "But unconscious!"

"I'll have to give her mouth-to-mouth resuscitation," Bryan said, "I'll get started right away."

working. Give her more"

"Your oxygen tanks empty," Bryan said. "Step back I've got another one." He then jammed his salty cock into my mouth hole and started thrusting it down my throat.

"Oh, yeah. She's cumming to." he said, pushing his cock into my pussy. "In order to save this lady in distress," he said, "It will be necessary for some cock to pussy resuscitation!" And just like that, he jammed his cock deep into me was pumping furiously like a cyclist racing to the finish line.

"I'm coming!" I screamed, as delightful orgasmic sensations shook the entirety of my body.

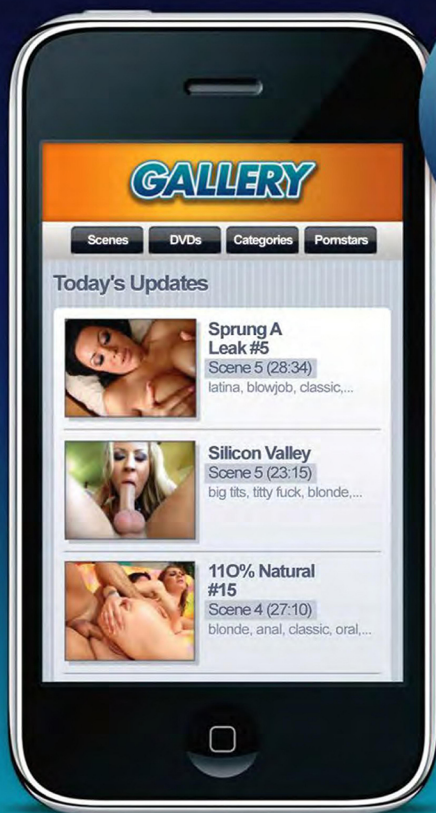

"Can't take any chances," Alex said. "Let's put her in the ambulance."

He threw me over his shoulder and carried me to the back of the store room. Bryan followed. Little did I know our sexual theater was actually just getting started for the evening. But the rest will be an inspiring tale for another occasion.

I can't believe I'm about to fuck Nick Manning. He's such a stud. He's also the first guy I saw in a porn video, so he's made a lasting impression on me. Now, here I am as he's kissing and licking my nipples and I'm on my knees sucking his cock. But that's not enough, I can't wait for him to fuck me. Excuse me now, he's here again and I have to get down on all fours.

GIRL NEXT DOOR

COCO

My boyfriend always called me his favorite girl next door because he actually lived next door. He pushed me to send these photos into the magazine. I agreed and he did but then we broke up. When I went to bed last night, I was alone. This morning I want a cock I barely know in my mouth and then in my pussy. Either way, I'm not letting another day go by without sex. If there is anyone who can be my new boyfriend next door, just send some photos, and a picture of your...

BROOKLYN

It's been about six months since I've had sex. Too many distractions and college took all my time. I want to get good grades so I kinda let myself go. But I'm ready again. My hormones are raging and my vibes and dildos just don't do it anymore. Time for real cock. So I showered, and just shaved my pussy and thought you might want to see. It's really pretty, smooth and silky, trust me. Now it's time to give my pussy the workout I promised it.

GINGER

Everyone says redheads do it better. At least that's what I've been told by all my lovers. One at a time or two at a time. They like the fire I bring to the bedroom. I think there is an extra chromosome in the hot link in our DNA genes. Well, even if it's not I want to think so and I've convinced many a guy that it is. Like these two that I'm about to fuck. They want to search for it.

Five guys on the trail

I stood there naked before the old frameless motel room mirror feeling just a little insecure. Anyway I was looking over my naked body. My brown hair was curly and sexy... right! I have a slender figure and nice curvaceous sides. I have the body that a lot of women desire... Just being honest. A trim figure with all the curves where they should be... right? And, my pussy is still tight. Sure, at 33 it still retained its supple strength. And, a couple younger guys even called me a MILF before. I don't see me that way. In my mind I'm still 22 with a lot going on for me.

I took a step away from the mirror, looking at my trimmed pussy here. "Your god damn right I'm a hot!" I said.

But, for some reason, I was still feeling as insecure as a pimply girl flying solo on prom night. I mean... It's not that my husband was cheating on me. It could have been bad enough that I come around and seeing him between the spread legs of some blonde bimbo. That would have been bad enough. That would have been devastating. But, I came home and caught him with a man! And, you think that that would be bad

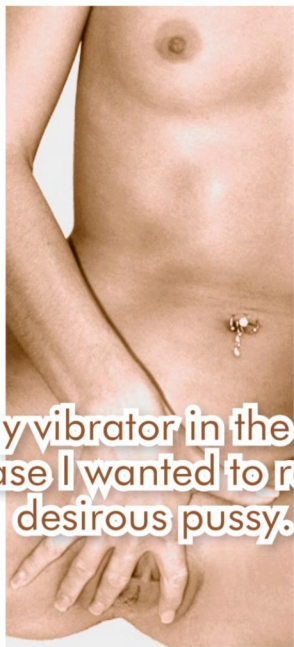

enough... Right catching your husband make it with another man. But no! It gets worse. He's wearing fucking pink stockings with a garter belt doing the dirty deed! Oh, it's a bit much for a gal to take.

Why do you think I'm naked and staring into this mirror? Continually filling my martini glass? Did I turn him gay? Wasn't my hot pussy enough for him? Apparently not! Was I no longer a sexy woman? Oh, God, I was feeling about as

low as the dormouse sputtering around in the basement.

I was going to do the thing I always do in the midst of a crisis. At such times, I go for a hike up Banner's mountain: a big mountain just south of town that's a famous spot for large bird observation. There's usually some university students up there observing the various raptors like turkey vultures, golden eagles, and hawks. I'd go up there with my ex and even by myself and bird watch, also. I've got a pair of binoculars, and sitting on the rocks atop the mountain, it's a very meditative spot. And, there are some very private wooden sections up there as well. So I threw my vibrator in the backpack just in case I wanted to relieve my desirous pussy.

I drove to the base of the mountain. I stopped at the tourist store down there and picked up sun block lotion because the day was sunny and about to get hotter. You just never know. Then I started hiking up the dirt trail and, the July sun burned into my shoulders which were left exposed by my tank top. After a long hour's hike, I reached the mountaintop. There were very few tourists. The

heat must've been keeping them away, and that was fine with me.

I went to my favorite secret spot which is a big cluster of trees that overlooks the valley. Across the valley the imposing mountain looms and the glorious birds circle the sky. The sun was slipping through the trees overhead, and I got a sudden urge to feel the hot sun on my boobies and nipples. I spread out my blanket and pulled my tank top off. The sunlight gently tickled my boobs and I got the urge to play with myself. I stood up and pulled my shorts and panty off. I laid back and spread my legs. The sunbeams subtly tingled against my pussy lips. I slid a finger in my hole. In and out, in and...

My love juices were stirred a bit. I pulled my vibe out and spread my legs even further. I pressed it against the tip of my ass hole and kept stroking my pussy and clit. It all felt marvelous: the sun's heat and the stimulation to my holes. I laid back like that for about 20 minutes. All I heard was the wind's intermittent whistle and buzzing of my vibe; and my increasing moans as the orgasmic thrill built in my pussy.

Suddenly, I got that weird sensation that somebody was watching me. I let go of my vibe, sat up, and discreetly slipped my binoculars out. I quickly looked through them straight ahead. Son of a bitch!

There were five young guys in the distance who all held binoculars to their eyes! Who did they think they were to violate my privacy? But, if I got dressed and ran over there to scold them... they'd have enough time to run away.

I have a better idea, so I put my binoculars down and spread my legs even wider; and then I started sucking on my fingers. Then I sat up and gestured for the guys to come over. Before you could say "Look, up in the sky..." I had the five guys standing right in front of me. I covered up with the blanket.

"Who the hell do you guys think you are?" I asked.

The tallest one was Barry. "We're graduate students here observing hawks." he said.

"It's just that you're so... so..." the tall one said, stuttering as his eyes rolled over me.

"So... what?" I asked.

"So damn beautiful." he said.

"And, so damn sexy." his friend added.

"And, so hot and gorgeous and luscious, and tasty." His friend started babbling.

"Really?" I asked.

"Oh, hell yeah! Really! Definitely!" They all said, seemingly in unison.

I felt my anger melting away like a scoop of ice cream beneath the hot sun. I pulled the blanket off of me so they could get an eye full of my body close-up. I spread my legs apart and ran my hands up them, stopping at my pussy, giving it a little rub.

"Does that make you hot?" I asked.

"Yes! Yes! Yes!" They said.

I got on my hands and knees and shoved my pass at them. Then I

I got that weird sensation that somebody was watching me. I let go of my vibe, sat up, and discreetly slipped my binoculars out.

reached under and put two fingers in my pussy.

"How about this?" I asked.

"Yes! Hell yeah! You bet!" they said, again in unison as if it's been practiced before.

I spun around. "Then prove it. Right now!" I barked out.

"How?" The tall one asked. "All of you pull down your pants. Now! If I see hardon's I know you're aroused. Pull down your pants.. Now" I yelled. The five guys simultaneously pulled their pants down and sure enough, five rigid cocks stiffly flopped out of their boxer shorts: like five sticks pointing right at me! And the sight of those five cocks got my pussy is hot as a furnace. So I said you graduate students deserved a reward for that.

I motioned them to form a semi-circle right in front of me. "Now, don't move guys." I said.

I took the cock of the tallest one in my mouth. He moaned so loud I nearly laughed. I gave his cock five sucks then moved on to the next. I continued this way right around the line. One of the guys... the redhead... He actually came in my mouth on the fifth suck! Poor nerd probably hadn't got many female mouth for a while! But, the saltiness of his cock cream got me even hornier, and I swallowed it down greedily.

I decided I'd let the quick, guy recuperate, and I slurped on the four remaining dipsticks. The only problem: I was dealing with some nerdy graduate students who apparently weren't getting much female tail. After another 10 sucks another guy came in my mouth... then another... then another. I was filling up my belly with man-cum pretty damn quick. And, I loved it.

But, I wasn't there as a cock-sucking hooker! The blow jobs were supposed to be a warm-up and these guys were coming like they

had just gotten out of prison after 10 years.

But, the tallest guy hadn't shot off yet, and I pulled his stick out of my mouth before he got a chance! I needed to be fucked, so I laid on my back and got ready for them.

"Fuck me now graduate boy." I ordered.

He awkwardly inserted his rather large penis into me. He started pumping and after five minutes I was thanking my stars that he was still going. The four guys were watching, and I figured they should now be able to get hard again. As the tall guy banged my pussy I ordered the other guys to start playing with themselves. Within a minute they were hard again. Then I pushed the tall guy off of me and got down on all fours, doggy style.

Another guy got behind me and eased his cock inside. He started pumping aggressively. I motioned the rest to get around us. Soon, one of them popped his dong in my mouth, and the other three were squeezing my boobs, nipples, and ass. The guys scrambled around, switching places. A new cock came in my mouth after three socks... Yes, it was the same quick, guy!

The guys were taking turns doing me doggy style. I didn't want another position. This is just what my pussy needed.

As the tall guy banged my pussy, I ordered the other guys to start playing with themselves. Within a minute they were hard again.

Ass lickers, unite! Yes, it's time for us who love rimming to put our money where our tongues are. It's not that taboo anymore to spend some time on someone's behind. If you've ever been touched or licked back there, then you know the sensations can be out of this world. It's not like anal sex at all. It's a soft and mild sensation that makes you close your eyes and focus on it's sensual effect.
